## DO I NEED A TRIAL?

We strongly advise our clients to have a hair trial before the special event. By having a trial it eliminates any chance of there being any confusion on the day. As your hairdresser, we know exactly what we will be doing, how long it will take and that you, our guest, will be 100% happy! For many girls, having your hair and make-up done is a big deal and you don't want to leave it to chance. That's why it is so important to have a hair and make-up trial before your big day. Hair trials are crucial prior to your wedding day, it's a good idea to search for inspiration and examples from magazines, but also listen to your stylist's advice, as she may be able to suggest a hairstyle that works better with your hair type. Together we can create the perfect style for your big day!
